CLEARINGHOUSE RULE 10-082

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated September 2008.]

2. Form, Style and Placement in Administrative Code

a. In s. Trans 75.02 (3) and the note after s. Trans 75.06 (2), “the” should replace “such”. Also in the note, “them” should replace “the same”.

b. In s. Trans 75.06 (3) (b), “a” should be inserted before governmental”. Also, the department might consider adding a note similar to the note after s. Trans. 75.02 (3) to indicate where the Plan might be obtained.

4. Adequacy of References to Related Statutes, Rules and Forms

It appears that the reference to s. Trans 75.02 (3) under s. Trans 75.04 (4) should be to s. Trans 75.02 (4).

5. Clarity, Grammar, Punctuation and Use of Plain Language

Under s. Trans 75.06 (3) (a), the standard for bicycle traffic volume could be clarified. Is it the department’s intent that this exception not apply to any road that can be expected to see 25 two-way bicycle trips on any given peak travel day, or on average over all peak travel days? Also, what is meant by “peak travel days”?
